## How to Use

The *Haven* quilt guide is meant to assist you in cutting and organizing your fabrics for this project. It is not a pattern. Instructions for each block will be released to my YouTube channel and my website according to the schedule on page 2.

## Schedule

A new video and blog post will be released every Friday beginning January 2, 2026. The videos and blog posts will describe how to construct the block for that week. There is one block each week, but you will make multiples of that block - anywhere from one to eight (no more than eight a week for main blocks!)

Proceed at your own pace. This is just the schedule for instruction releases, not a deadline for completing any blocks. The videos and block posts will be available well past April 2026, so have no fear that you'll miss out on something.

January 6	Getting started!
January 13	9 Patches
January 20	Flying Geese Blocks
January 27	Block 1
February 3	Block 2
February 10	Block 3
February 17	Block 4
February 24	Block 5
March 3	Block 6
March 10	Center Assembly
March 17	Inner Border
March 24	Wrap up!

## Quilt Details

Finished quilt size: 72" x 72" You may choose to add additional borders to make the quilt larger.

### Abbreviations

WOF = Width of Fabric (cut from one selvage to opposite selvage)

*All strips are cut WOF, unless otherwise stated. So a 3" strip, should measure 3" x WOF (approximately 42-44").*

RS = Right side of fabric

WS = Wrong side of fabric

Seam allowance is  $\frac{1}{4}$ "

This guide assumes the quilter has a basic knowledge of quilting techniques and terminology. The images in the guide are for ease of organizing and placing fabrics and do not represent exact fabrics used in the sample quilt.

This guide should be used in conjunction with Stacy's YouTube videos and/or blog entries for the quilt-along. You can find the videos here:

YouTube.com/@StacyCreatesStuff, and the blog series here:

<https://stacycreatesstuff.com/category/sew-along/haven/>.

Videos and blog posts are released weekly beginning January 6, 2026 and shall remain available for the foreseeable future.

### Fabric Requirements:

1 yard each of 10 fabrics: 1 "white," 1 pale color, 3 medium/lights, 2 medium/darks, 2 darks, and 1 pop/contrast color.

Backing for 72" x 72" size: 4½ yards (40/42" width) or 2½ yards (108/110" width)

Binding:  $\frac{5}{8}$  yard

### Tips for success:

Follow the cutting instructions in order and use the Fabric Distribution Chart (page 7) to sort the pieces into their blocks. I like to place all the pieces for a block set into baggies and clearly mark which block/unit they are for. Tags are included in this guide so you can easily label the baggies.

Watch the videos on my YouTube channel for step-by-step details!
